

**HONEST PROVALVE - MODERN DESIGN**

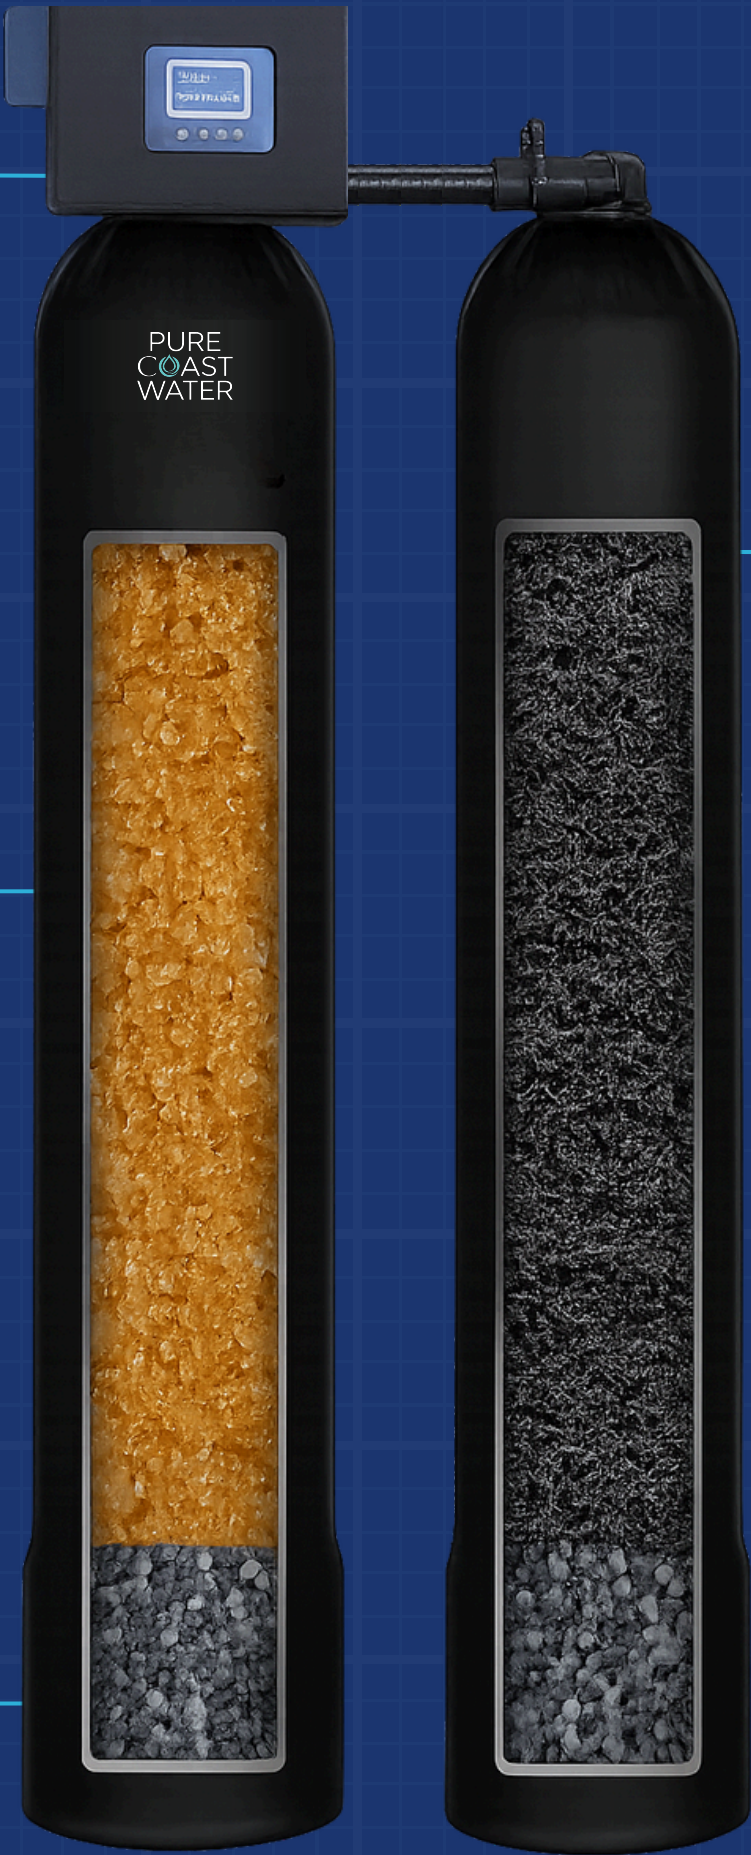

- Ceramic discs for longer life and reduced maintenance.
- Highly configurable with easy to use program interface.
- Long-term memory for program functions.
- 72-hour memory backup.

**USA MADE HIGH-CAPACITY SOFTENING RESIN**

- 10% crosslinked resin removes hardness and lasts longer.
- Superior Durability - Resists chlorine and oxidation for a longer lifespan.
- Maximum Performance - Delivers high-flow soft water with no pressure loss.

**POLISHING GRAVEL**

- Enhanced Filtration - Supports resin for optimal water flow and efficiency.
- Superior Stability - Prevents channeling and ensures even water distribution.

|                              |                  |
|------------------------------|------------------|
| VALVE FLOW RATE*             | 30 GPM           |
| SYSTEM FLOW RATE*            | 27 GPM           |
| BYPASS SIZE                  | 1"               |
| SOFTENING CAPACITY .....     | 48,000 GRAINS    |
| RESIN VOLUME .....           | 1.5 cuft         |
| MEDIA TANK SIZE DxH .....    | 10" X 54"        |
| BRINE/SALT TANK SIZE .....   | 15" X 35" Square |
| SHIPPING WEIGHT SYSTEM ..... | 125 lbs          |
| SHIPPING WEIGHT BRINE .....  | 17 lbs           |

**GRANULAR ACTIVATED COCONUT SHELL CARBON**

- Unmatched Purity - Treating chlorine, chloramine, and harmful contaminants with superior efficiency.
- Eco-Friendly - Sustainably sourced from renewable materials with the highest environmental standards.
- Long-Lasting - Designed for maximum filtration capacity and extended performance.

**BRINE TANK**

- Stores salt for regeneration: Holds salt used by the water softener system.
- Creates brine solution: Mixes salt with water to form the brine used during regeneration.
- Maintains system performance: Helps recharge the softener media to keep water soft.

**Our patented dual-tank system is the only Dual Tank System designed to self-clean the carbon tank, ensuring the cleanest, longest-lasting filtration on the market.**

# DUAL TANK SYSTEM FOR CITY WATER

Upgrade your home’s water with the Dual Tank system designed for city water. Enjoy softer skin, cleaner dishes, and better-tasting water while protecting your appliances and boosting your family’s health.
